**Notes: The meet is for the qualifying score – there will be no medals,
There will be a concession available,
there should not be 100’s of divers for a Qualifying Meet.**

Have your sheets ready and checked on Sun.

**If anyone can tell me, this week, where I can get a dive sheet to copy,
I will have extras at meet time.**

We can run 2 events at a time OR combine some age groups i.e.;

Boys and Girls of the same age groups –

IF the event would NOT run very long.

Any combination that’s efficient for allowing sufficient warm-up.

This should be qualifying (quality for the divers) meet.

**I hope we have 60 +/- divers, some parental help, and we should hopefully
be able to finish at a good time.**

**Special Notes: Email - Team and Coach Name’s with the NUMBER of
divers you expect to bring to the meet – To: bloughdiver@yahoo.com
by June 10th. I will try to get to all attending coaches the numbers of
divers in each to the age groups and ask for advice about a timeline.
