

## FUTURE FLYERS POLICY FOR PARTICIPATION

Below is a short list of important details that, when followed, will help create the most effective coaching and learning environment.

- All payments are due in full by the 1<sup>st</sup> week of the new quarter (September 1st, December 1st, March 1st and June 1st).
- Once a new quarter has started, any diver not paid in full or not on a monthly payment option may not participate until payment has been received. Fees as of Winter '09-2010 will be \$400.00/quarter. If you are planning to be out of town at the beginning of a quarter, you may mail your check.
- Any Future Flyer diver may request a monthly or bi-quarterly payment schedule. Payments will be \$143/month due by the first week of each month or \$210/half quarter. Please note that the responsibility of the entire quarter still remains.
- Only in the event of long term injury or unforeseen family emergency, will there be a fee adjustment. Please make requests for fee adjustment in writing or e-mail following a verbal explanation (NOT during a practice).
- Participating in a diving camp without being accompanied by an official coach of American Flyers Diving is prohibited unless an agreement has been made with AFD prior to participating.
- Competing in scheduled Ohio Diving League (ODL) meets is mandatory unless given prior notice. Participation in any other USA/AAU sanctioned competitions is Mandatory per diver readiness determined by the coach.
- If you choose to participate in any USA/AAU sanctioned competitions, the estimated "coach's" travel cost will be added and then divided between all participating AFD divers. This fee will be due one week prior to the competition. For National Championships requiring qualification, a travel fee will be divided between participating Pre-Travel Team divers & any other participating AFD divers. This fee is due by the next scheduled practice following the qualifying meet.
- Parents and/or family members are not permitted on the pool deck during practices.
- Athletes and parents must make arrangements for transportation. Divers must be on time for practices (minimum 10-15 minutes early). Make sure divers pick up is 15 minutes early . AFD coach(es) can provide transportation if given prior notice.

I have read the above and fully understand these expectations as a parent or athlete participating with the American Flyers Diving Travel program.
